

# Bulk Phytochemicals

| Research Grade |

| Food Grade |

| Primary Grade |

| Secondary Grade |

## ChromaDex™ offers a quickly growing list of bulk phytochemicals

ChromaDex™ has developed proprietary manufacturing techniques to supply the wide range of phytochemicals in our catalog. In the process, we are able to produce many of these phytochemicals in gram and kilogram quantities. When you make bulk purchases with ChromaDex™ you can feel confident in the quality of the product you will be receiving. Both Research Grade (RG) and Food Grade (FG) materials are available. ChromaDex™ can also customize bulk quantities of Primary (P) or Secondary (SH) grade materials per your request. Please ask your ChromaDex™ representative for a custom quote for the material and quantity you require.
